Principal's Report

Kathryn Otoshi, is an award winning author/illustrator and international speaker best known for her character building book series, "Zero", "One" and "Two". She works in schools in America to encourage children to develop strong character assets and supports teachers in finding ways to connect and engage with their students.

Next term, I will be working with our students to introduce them to these books and the messages that they share. We will do a variety of activities related to these books and discuss how we can apply the ideas and concepts to our own lives and support others.

Victorian State Schools Spectacular

On Saturday, fifteen of our students joined thousands of other students at Hisense Arena for the Victorian State Schools Spectacular. The students had been rehearsing for hours and hours on their dance moves under the guidance and support of Kirsty Wolters. The show was truly spectacular and immensely enjoyed by all who participated and watched.

Congratulations to all involved; sincere thanks to Kirsty Wolters for the amazing work she has done in preparing the students and Sarah Kelly for her assistance. Thank you also to the many parents who supported their child's performance.

Footy Day

Friday is 'Footy Day'. Please support the day by coming dressed in your football team colours. You may choose to dress in team colours from AFL, Rugby Union or Rugby League or Soccer. There will also be a hot dog lunch. Hot dogs will cost \$3.00. Thank you to Cathy Lucas, Penny Macdonald, Lea Price and their team of student helpers for organising and cooking the hot dogs.

Congratulations to:

- Students who competed in basketball and football competitions throughout the season and more recently those who played in finals matches. I also know a number of students were presented with trophies for their efforts during the season-well done.

- Students who received Black belt, Orange Belt and Master awards at this weeks assembly.
- Students who have taken up the challenge of being kind to others in the classroom and the playground-well done.
- Kylie (PL) and Paul who will be getting married over the holidays. All the very best for this very special day from all of the Warrandyte Primary School community.

As we near the completion of Term 3, we reflect on the many learning experiences we have enjoyed so far this year. I would like to thank the staff for their continued professionalism and focus towards our students. The staff work in partnership with parents to provide the best possible opportunities for each young person to prosper. It is only through supporting and encouraging our students that they can present their personal best. I wish everyone a safe and relaxing holiday period. Thank you for your support throughout a very busy Term 3.

Please note the earlier finishing time on Friday of 2.30pm. A normal timetable will operate during the day. Students will be dismissed from their classes at 2.30pm. School resumes on Monday 8th October. Our first School Assembly for the term will be held on Monday 15th October (second week).

Our uniform policy has been reviewed and ratified by School Council. The policy can be found on our website at the following link : <https://warrandyteps.vic.edu.au/wp-content/uploads/sites/106/2015/10/180606-WPS-UNIFORM-POLICY-002.docx>

This policy will be implemented for all students from the beginning of Term 4.

Happy Holidays!

Alannah and Madeline Foundation

Help to make a difference in the lives of children affected by bullying and cyber bullying. On Sunday October 21, the foundation is holding its first ever Buddy Run – the Anti Bullying Fun Run at 10 am, in the Alexandra Gardens Melbourne.

The 1KM run is the perfect opportunity to get family and friends active for a good cause. Enjoy a day packed with entertainment and fun activities such as lawn games, face painting, food trucks and so much more!

The event will promote the themes of inclusion and respect, and send a clear message that bullying is never okay. All funds raised from the event go to the Foundation's programs. Programs that care for children who have experienced or witnessed serious violence, reduce the incidence of bullying, cyber bullying and other cyber risks, and advocate for the safety and wellbeing of all children.

Register at www.buddyrun.org.au

Thanks Cathie

OSHC News

This week we have been exploring S.T.E.M activities from Lego challenges to educational experiments like circuit combinations and baking soda foam painting. We have also enjoyed creating beautiful spring time headbands with the hot glue gun!!!

Hayley has returned from her holiday and will be popping in this week. We are looking forward to hearing all about her adventures in Europe.

Japanese Room News

Congratulations (Omedetou Gozaimasu) to all the students who received Hiragana Orange Belt, Blackbelt or Masters awards at this week's Japanese Assembly. This is a huge achievement for these students, and it reflects a lot of extra practising going on at home and in the Japanese room at lunchtime this term. Being able to conquer another language writing script (like Japanese or Chinese) will stand students in good stead in the future, in all sorts of other subjects as well as languages. It helps 'unlock' or train an area of the brain that is used for recognising and decoding symbols. So whether it's learning maths symbols and formulae in high school or trying to decode the Cyrillic writing system to make sense of the Moscow subway stations in future travels, students will discover that being able to distinguish between different symbols isn't particularly difficult. Symbols are not just a mass of squiggles after all.

The other big benefit to students in this Hiragana Blackbelt challenge each year is to give them a truly difficult task and ask them to have a go at improving their previous week's score, mastering a column of 5 Hiragana to attain the next colour belt on their Japanese workbook, or to actually achieve Orange Belt, Blackbelt or Masters status. It required resilience in the face of failure and the realisation that nothing truly difficult ever comes easily. These are valuable lessons which will carry them through high school and beyond.

Just a few years ago, maybe one or two students would attain the Hiragana Master certificate each year. Fewer than a dozen would achieve an Orange (Prep) belt or a Blackbelt. This year, a record number of 30% of WPS students managed it. Well done everyone.
