Principal's Report

Planning for 2019

Planning is well under way for next year and our staff have developed a timeline to look at class structures and grade placements for 2019. Next year we will have 9 classes— one class of Preps, three Grades of 1/2, two Grades of 3/4 and three Grades of 5/6. As a small school, we are proud of our sense of community, and we want to create class groupings which address the social, academic and emotional needs of every student. Across the planned timeline, our staff will spend many hours carefully considering the needs of all of our students. Our staff will be thinking about the needs of all students as they form classes. Over the coming weeks we will be discussing how we can achieve the best for all of our students in 2019. We will be focused on friendships, gender balance and class dynamics.

We will be asking students to select peers they would like to be in a class with for 2019. Students will also be asked to think about why they want to be with their chosen peers.

Please note that it is not possible to make multiple requests that affect the placement of other students, or request specific teachers, but it is information that is specific to your child that will help us with class placements.

Snakes are Active

Our students and staff are heightened and always alert at this time of the year, as we know that snakes are very active. We want students, parents and staff to take care and implement strategies to be safe. So how do we manage this risk?

- We ask that everyone wear appropriate footwear.
- We educate staff. This includes revising our First Aid and Emergency Management documents and procedures.
- We educate students to play in safe places.
- We ensure that grasses are cut and maintained across this time of the year.
- We ask students not to put their hands into hollow spaces under rocks or into pits or drains.

Sport News

Regional Volleyball

Our talented boys volleyball team competed last Friday 2 November at the Regional finals at the State Volleyball Centre. They played 3 games on the day, winning 1 and losing 2 **very** closely contested matches. Well done : Kyan, Elliot F, Zande, Eden, Jake and Phin on your achievement. Thank you to Shelley and Brigitte for supporting the team.

Orienteering

A reminder to all Year 3/4 parents that Orienteering is next Friday 16 November at Hawkestone Park, Sth Morang. This is an all day event and parents are welcome to come along. Your child received details a few weeks ago, there are copies available at the office if needed.

Election Day BBQ

On Saturday November 24th our local community members will be heading to WPS to vote in the Victorian Election. This is a great opportunity to promote the school and also to raise funds from the community (rather than just school parents' pockets). If you could spare an hour of your time on election day (and you aren't already BBQ'd out), there is a roster at the office or you can contact me to nominate your preferred time to help out. Older primary school students are welcome to assist.

Crazy Camel Art Fundraiser

Order forms and a copy of your child's artwork have started coming home this week, so please check your child's bag. If your child has not finished their work they can be collected from the office and once finished please return to the office. Orders must be finalised by Friday 9 November so to avoid disappointment return your order by Friday 9 November.

Our very own Harrison & Henry will be representing Australia in the U11 Futsal Cup in Spain in December. To help all families that will be travelling to Spain a fundraiser has been organised, with fabulous first aid kits available for purchase which are well under recommended retail price. There is a sample first aid kit and order forms at the office.

Please note, when ordering please select 'MBFA-St Kevin's PS' and in the delivery notes put Warrandyte Primary School. Your kit will be available for pick up from the office early December.

Thanks for your support .
