PARENT PAYMENT ARRANGEMENTS 2026

18 November 2025

Dear parent/guardian,

Warrandyte Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfill the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. However, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

In preparation for 2026 School Council has reviewed the set budget for Curriculum and Other Contributions from families to help support the needs of the school for next year. Within our school this support has allowed us to provide a broad and engaging curriculum, that is differentiated to ensure learning is taking place at the point of need for students. It allows us to provide essential learning resources to students which include, enhanced digital learning opportunities, specialist program resources, targeted support for students with additional needs as well as the upkeep of our school grounds, basketball courts and playgrounds. In 2026, we will continue to run 4 specialist lesson a week of 60 minutes each.

For 2026 stationary supplies you can order and pay for your child/s supplies via our Maxim Office supplier which will be delivered to school and distributed on the first day of school. See the attached instructions. Alternatively, you can download your child's supply list and buy from the outlet of your choice and your child can bring all their supplies on the first day of school.

WPS offers a range of optional items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides to deliver the Curriculum. The cost of extra-curricular items and activities is provided on a user-pay basis and will be advised throughout the year.

WPS understands that some families may be experiencing financial difficulty and offer a range of support options, including the Camps, Sports and Excursion Fund (CFES), State Schools Relief (SSR) and payment plans for Extra-Curricular items and activities. For a confidential discussion about accessing these services, please contact the office at (03)9844 3537. Please note that when paying via Compass you will be given the option to select a payment plan.
